Dear Customer:

Subject: BeneFIX[®] Coagulation Factor IX (Recombinant)
Lot number format

Please find below, for your information, a description of the current lot number format used on BeneFIX labels.

BeneFIX lot identifiers are now assigned by a computer system. Each computer-generated number is a unique identifier. Currently the format is a 6-character identifier. All information related to the specific lot is traceable based on that computer-generated identifier.

I hope this information will be helpful to you. For additional information, please call Wyeth Medical Information at 1-800-461-8844.

Sincerely,

A handwritten signature in black ink, appearing to read 'A Ziff', written over a horizontal line.
