Introduction of HAEGARDA®

Customer Letter # 2021-18

---

2021-03-15

Dear Colleagues:

Canadian Blood Services is pleased to announce that Haegarda®, a subcutaneous C1 Esterase Inhibitor (human), manufactured by CSL Behring, is included on the Plasma Protein and Related Products formulary. Customers will be able to order Haegarda® **beginning the week of April 6th, 2021** using “Factor Concentrates & Other Plasma Protein Order Form”.

A Patient Support Program will be made available. Please refer to the attached letter from CSL Behring for further details regarding the product.

**Key Product Highlights:**

- Vial size: 2000 IU, 3000 IU
- Diluent: 4 mL (for 2000 IU) and 6 mL (for 3000 IU) Sterile Water of Injection
- Storage Temperature: +2°C to +30°C
- Administration: Subcutaneous

Please see the attached Product Profile for additional information.

The following forms will be updated by April 1<sup>st</sup>, 2021 and posted on [www.blood.ca](http://www.blood.ca):

- Factor Concentrates and Other Plasma Protein Products Order Form
- Plasma Protein Products – Customer Table of Information

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at [www.blood.ca](http://www.blood.ca) in the "Hospitals Services" section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

A handwritten signature in black ink, consisting of two distinct parts. The first part is a stylized, cursive 'S' followed by a horizontal line and a vertical stroke, resembling 'SG'. The second part is a more complex, cursive flourish that ends in a sharp hook, resembling 'Grenier'.

Sylvain Grenier  
Director, Plasma Protein and Related Products Formulary Program
