
INFORMATION ONLY**Alprolix and Eloctate Packaging Changes****Customer Letter # 2023-08**

2023-03-24

Dear Colleagues:

Please find the attached vendor notification regarding Alprolix and Eloctate® packaging change and how ancillary supplies will be provided for patients.

Effective May 2023 and as soon as any existing inventory is depleted, products without the ancillaries attached will be gradually introduced.

Information regarding the available options to obtain necessary supplies for infusion of Alprolix® or Eloctate® and the packaging changes can be found in the attached vendor notification.

IMPORTANT: Per the attached vendor notification, supplies will need to be arranged by May 1st to ensure all patients have the ancillaries they need.

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at www.blood.ca in the “Hospital Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

Jody Faught
Director, Integrated Supply Chain Planning, Business Systems and Analytics
