2023-08-04

Dear Colleagues:

Please find the attached vendor notification that provides important information pertaining to the extension in shelf life and updates for the product monograph of Fibryga (DIN 02464616). The shelf life has been extended **from 36 to 48 months for Canada**.

Please note that all Fibryga currently in inventory at Canadian Blood Services reflects the new 4-year expiry date.

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at [www.blood.ca](http://www.blood.ca) in the “Hospital Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,
