Changes to Rad-Sure Irradiation Indicator Labels

Customer Letter # 2023-22

2023-08-30

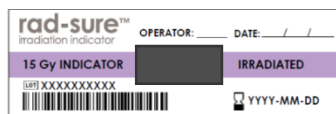

Dear Colleagues:

Beginning 2023-10-02 Canadian Blood Services will implement a new combined Ashland Rad-Sure Irradiation Indicator label. Ashland will offer a single blood irradiation indicator label that can be used with either energy source (X-ray or Gamma). The new combined label will be **purple**. This product will replace the current Rad-Sure X-ray and Gamma labels.
