**INFORMATION ONLY****Manufacturing Changes for Cytogam****Customer Letter # 2023-33**

---

2023-11-21

Dear Colleagues:

Please see the attached letter from KI BioPharma LLC regarding the changes to the manufacturing site for Cytogam. Manufacturing was transferred from CSL Behring AG to Kamada Limited in Beit Kama, Israel. As a result of this change, the product monograph was updated (attached), the shipping carton dimensions are changing, and the label on the product received by Canadian Blood Services, will now reference KI BioPharma. Please refer to the attached letter from the manufacturer for more information.

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at [www.blood.ca](http://www.blood.ca) in the "Hospital Services" section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

Jody Faught  
Director, Integrated Supply Chain Planning, Business Systems and Analytics
