1. ! ND = no data

2. ! Disposition data presented is contingent on multiple factors: whether a complete data set has been received for 2017-2018, availability of data by blood group versus totals only, and participation in local blood re-distribution programs.

3. ! Hospital rank by Cryoprecipitate Issue data. Hospitals receiving only fibrinogen issue data was not ranked.

4. ! Adult Trauma Centres referenced from *Hameed et al., Access to Trauma Systems in Canada, J Trauma. 2010;69: 1350-1361.*
