1. ND = no data; Tx = Transfused
2. Plasma issued and disposition data includes Frozen Plasma, Apheresis Plasma, Cryosupernatant plasma (CSP) and SD plasma
3. Disposition data presented is contingent on multiple factors: whether a complete data set has been received for 2017-2018, availability of data by blood group versus totals only, partial data available by blood group Ex: SD Plasma, and participation in local blood re-distribution programs.
4. Adult Trauma Centres referenced from *Hameed et al., Access to Trauma Systems in Canada, J Trauma. 2010;69: 1350-1361.*
